

Where on the farm?

Name: _____

On page 3 you will find a picture of a farm on a grid with coordinates. Use your coordinate skills to complete the following questions and tasks.

1. Which square contains:

- a sitting cow _____
- a lamb _____
- a rain water tank _____
- a solar-powered water pump _____

2. Which squares contain the start and the finish of the creek?

_____ and _____

3. List 6 other squares that the creek flows through

4. What is in E9?

5. Which 6 squares does the helicopter appear in (including its shadow)?

6. What is in H20 and G20?

7. What appears in all of the following squares?

I9, B8, and M3

8. Find the paddock with three cows in it. Draw a water trough in that paddock, then write the coordinates of the square or squares your trough is in.

9. Draw a fence from A15 to A21.

10. Write some questions or tasks of your own and give them to a friend to complete.
