Activity 1

Goats. Growing and changing

Observe the 'Goats. Growing and changing' poster.

Label the correct names for each stage of growth above the animals.

Doe: adult female

Buck: adult male

Doeling: young female and **Buckling:** young male

Kid: baby male or female

Did you know?

A life cycle is a series of changes or steps that a living thing goes through during the time that it is alive.

Can you think of the names that humans are called throughout their life cycle?

Access the curriculum-aligned Australian Good Meat Education [resources](#) Foundation to Year 6 to extend the learning on this topic, including Foundation to Year 2 [Growing and changing on the farm](#) and Year 3–4 [Life cycles on the farm](#) lessons investigating life cycles of different cattle and livestock and interactive student activities focused on changing over time.
